This quote is based on our evaluation of your project and not include additional labor or material which may be required in the event of unforeseen work after the project has been initiated. A deposit in the amount of fifty percent of the total is due upon approval of the scope of work. A three percent credit card processing fee may be added to credit card payment transactions. The remaining balance is then due upon completion of the project unless other terms are agreed to by both parties in contract. Material sales are subject to 50% restocking fee on unopened boxes. This quote valid for 30 days.
